Message from the Director

Dear Friends and Benefactors,

There is no doubt the impact of Coronavirus (Covid-19) pandemic on people's livelihood and all other dimensions has been seriously devastating. However, if we know how to take advantage of its positive impact, there are also numerous possibilities. During the several months prior to their return to school, our children had to stay at home and take up online study. It has turned out to be good opportunities for the whole group of children to stay together. Some of the older ones could help care for the toddlers, while others learned to prepare desserts, did garden work, helped in the kitchen, etc. These activities would be beneficial in the long run when our children grow up.

We are very grateful to all our friends and benefactors who have always remembered our children and continued supporting us even when everyone was facing difficulties.

Fr. Michael Weera Phangrak
Director

▲ Loy Krathong 2020 : Pre-school kids of the Pattaya Orphanage, along with the older ones, learned to make krathongs for the annual Loy Krathong Festival during the rainy day.. When weather permitted, they dressed up in different Thai costumes and let go of their floats in the special pond for the occasion.. Thanks to all concerned for the organization and Khun Bernard Mueller for joining us.. Happy Loy Krathong 2020 to all.. May all sadness and bad things drift away with the water and everyone be happy and strong..

▲ Visiting New Recruits : Approximately one month after new recruits began their training at the Recruit Training Center (RTC), Naval Education Department in Sattahip, family members of trainees were invited to join a ceremony with parade of new recruits. Representatives of the Pattaya Orphanage, led by Teacher Nikorn, took this opportunity to visit our own Roongrote and Pong, and giving them moral support, after witnessing the inspirational event. Courage to both of you..

Grateful Thanks to Our Supporters
